1

Diagram showing the preparation of the luminaire housing, including steps I, II, III, IV, and V.

2

Diagram showing the luminaire being mounted to the ceiling using screws.

3

Diagram showing the electrical connection to the luminaire. A warning symbol indicates the power must be OFF.

4

Diagram showing the luminaire being connected to the power source. A circular inset shows the connection terminals labeled L, N, and push.

5

Diagram showing the final assembly of the luminaire. A circular inset shows the removal of the protective foil from the front and back sides.

6

Diagram showing the final assembled luminaire.

Źródło światła zastosowane w tej oprawie oświetleniowej powinno być wymieniane wyłącznie przez producenta lub jego przedstawiciela serwisowego, lub podobnie wykwalifikowaną osobę.
The light source contained in this luminaire shall only be replaced by the manufacturer or his service agent or a similar qualified person.
