THIN TUBE 40 LED hermetic wall:

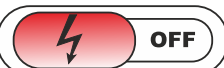

THIN TUBE 68-152 LED hermetic wall:

**1**

Diagram showing the preparation of the mounting bracket (I) by bending it at a 2 mm angle. The LED tube (II) is shown being inserted into the bracket.

**OFF** 

**2**

Diagram showing the mounting bracket (I) being secured to the wall with screws (II). The LED tube is shown being inserted into the bracket.

**3**

Diagram showing the electrical connection of the LED tube (II) to the power supply (I) and the mounting bracket (III). The power supply is connected to the wall (IV). A circular inset shows the correct wiring connection: L (Live), N (Neutral), and a ground symbol, with a 'push' arrow indicating the correct terminal connection.

**4**

Diagram showing the final assembly of the LED tube (II) into the mounting bracket (I).

**ON**
